

2. CONNECTION WITH INSURANCE INDUSTRY

From inquiring of any member of the venire as to any connection with the insurance industry. If Plaintiff's counsel is sincerely interested in determining whether there is any such connection for purposes of exercising jury strikes, this information can be obtained by asking each individual juror their occupation, past occupation, and that of their household, which will provide relevant information and at the same time, avoid harming Defendant by interjecting insurance into the case.

GRANTED:

DENIED:

3. ANSWER DAMAGE ISSUE "REGARDLESS WHO PAYS"

From interrogating any member of the venire as to whether they would answer an issue on damages in accordance with the evidence, regardless of who pays the damages or when they will be paid, or whether they will ever be paid, or any similar version of such inquiry, for the reason that the same improperly injects the implication of insurance and wealth into the suit and Defendant further moves the Court to instruct counsel not to make any such reference in jury argument or similar import.

GRANTED:

DENIED:

4. DEFENDANT'S RESPONSIBILITY TO PAY JUDGMENT

For making any statement or inference that Defendant would not be financially responsible for the judgment in the event of an adverse verdict.

That Plaintiff or Plaintiff's witnesses have been told anything by any doctor, osteopath,
chiropractor, or other medical witness concerning Ron Kennedy's physical condition, or loss of use
of any specific member of his body, for the reason that such revelation would refer to hearsay, and no
such statements which may be offered fall within the exceptions pursuant to FED. R. EVID. 803, and
for the further reason that such would be an attempt to introduce before the jury expert testimony
without a proper predicate concerning the expert's qualifications and abilities to give such testimony.

GRANTED: ✓

DENIED: _____

9. PRIOR TESTIMONY

Any commenting, referring to or exhibiting any prior statement of any witness who is available at trial if such statements are offered for purposes other than impeachment or rebuttal. Such statements are inadmissible as hearsay under Rule 802, Federal Rules of Evidence.

These statements are inadmissible as hearsay within hearsay under FED. R. EVID. 801-802 and FED. R. EVID. 805. In this case, neither level of hearsay within these statements falls within the relevant exceptions in FED. R. EVID. 804, and therefore any such testimony must be excluded. *See Rock v. Huffco Gas & Oil Co.*, 922 F.2d 272, 279 (5th Cir. 1991).

GRANTED: ✓ DENIED:

11. EMAIL FROM DWIGHT MCKINNEY DATED 10/22/05

Any comment or reference to any prior statement of any witness from the email created by Dwight McKinney dated 10/22/05 discussing Plaintiff's accident (Plaintiff's Exhibit No. 51). Huffco Gas & Oil Co.*, 922 F.2d 272, 279 (5th Cir. 1991).

GRANTED: ✓ DENIED:

12. COCA-COLA BOX DIAGRAM OF PLAINTIFF'S ACCIDENT

Any reference or comment regarding any statement from the Coca-Cola Box Diagram of Plaintiff's accident (Plaintiff's Exhibit No. 52). These statements are inadmissible as hearsay under FED. R. EVID. 801-802. Further, testimony related to this box diagram is not relevant to any issue in this cause. To the extent that such evidence may be found to have some degree of probative value, it is greatly outweighed by the danger of unfair prejudice, confusion of the issues, or misleading the jury. FED. R. EVID. 401- 403.

GRANTED: ✓ DENIED:

**13. PRIOR CLAIMS OR LAWSUITS AGAINST
DEFENDANT'S EXPERTS OR OTHER WITNESSES**

Any reference by Plaintiff, his attorney or any witness, regardless by whom called, to prior lawsuits or claims, outcome of same, or the results of any settlement of same, including any malpractice claims, suits, or other civil lawsuits filed against any expert witness or other witness called by the Defendant to testify at the trial of the cause. FED. R. EVID. 401-403.

Any reference to the fact that the Defendant or its attorney sought to prevent discovery of evidence during the pre-trial discovery, or after the trial began, through the assertion of objection, instructions from counsel, or privileges.

GRANTED: ✓ DENIED:

15. COMMENT ON SPOILATION

Any reference to a failure by Defendant to preserve evidence; or that Defendant intentionally, or negligently disposed of, altered, made unavailable, or failed to produce such items; or that had Defendant produced such items, they would have been unfavorable to Defendant. It is well settled that federal courts apply federal evidentiary rules rather than state spoliation laws in diversity suits. *Condrey v. Suntrust Bank of Georgia*, 431 F.3d 191, 203 (5th Cir. 2005); *see also White v. Wal-Mart Stores East*, 159 Fed. Appx. 850, 850 (5th Cir. 2006); *King v. Illinois Central Railroad*, 337 F.3d 550, 556 (5th Cir. 2003). Under federal evidentiary rules, "mere negligence" is not enough to warrant an instruction on spoliation. *Vick v. Texas Employment Commission*, 514 F.2d 737, 737 (5th Cir. 1975); *see also Condrey, supra*. Fifth Circuit case law is clear that a plaintiff is entitled to an instruction on spoliation only if the plaintiff can show the defendant acted "in bad faith". *Id.* at 737; *see also King, supra*, at 556. There is no evidence of bad faith on the part of Defendant, and any reference to any missing evidence is irrelevant, unduly prejudicial and has the potential to mislead and confuse the jury.

GRANTED: _____

DENIED: _____

16. MENTION OF "GROSS NEGLIGENCE"

Any comment or reference to any claim by Plaintiff related to the alleged "gross negligence" of Defendant as the claim of gross negligence is not set forth in Plaintiff's Complaint. Plaintiff should refrain from any mention of punitive damages, or comments that Defendant acted with malice, or willfulness, or with callous and reckless indifference to the safety of others, or in disregard of a high and excessive degree of danger. Any comment on punitive damages is irrelevant to this cause, unduly prejudicial, would violate Defendant's right to due process of law, and has the potential to mislead and confuse the jury. FED. R. EVID. 401-403.

GRANTED: ✓

DENIED:

GRANTED: ✓

DENIED:

19. REMEDIAL MEASURES

Any reference to or inquiring about any subsequent remedial measures taken by any Defendant which, if taken previously, would have made the event less likely to occur, as such would be an attempt to prove negligence or culpable conduct in connection with the occurrence of which Plaintiff complains. FED. R. EVID. 407.

GRANTED: ✓

DENIED:

20. LEGAL DEFENSES

From mentioning, directly or indirectly, any reference to matters of law pled in Defendant's last Answer as those are matters of law solely for the Court's consideration and determination.

That Plaintiff's counsel is instructed that they are not permitted to state or infer to the jury in any way that answering any of the special issues submitted in this case with any particular response would excuse, decrease, or maximize (or any other word of similar import) the payment, if any, to be made by Defendant to Plaintiff or that answering any special issue with a particular response would require that some other special issue be answered with a particular response.

GRANTED: ✓ DENIED: _____

27. PLACING JURORS IN PLAINTIFF'S SHOES

From requesting that the jurors "place themselves in the Plaintiff's shoes," as such arguments attempt to have the jury decide the case based on issues other than the evidence presented.

GRANTED: ✓ DENIED: _____

28. ASSETS OF DEFENDANT

Any reference to the assets Defendant has available for investigating, preparing and defending this cause.

GRANTED: ✓ DENIED: _____

29. OTHER LAWSUITS

Any reference or comment that any Defendant has been the subject of any prior or subsequent lawsuits for the reason that such is not relevant to any issue in this cause. Further, to the extent that such evidence may be found to have some degree of probative value, it is greatly outweighed by the danger of unfair prejudice, confusion of the issues, or misleading the jury. FED. R. EVID. 401-403.

GRANTED: ✓ DENIED:

30. DISCUSSIONS BEFORE VENIRE PANEL

That Plaintiff's counsel be prohibited from discussing any person's knowledge or opinions of Statco Engineering and Fabricators, Inc., or Statco Engineering and Fabricators, Inc. d/b/a Statco Design Services, (other than merely asking if anyone knows of Statco, etc.) before the venire panel for the reason that such discussions have the potential to introduce information regarding unrelated events which could conceivably poison the remainder of the panel, and greatly prejudice Defendant. Defendant therefore requests that after identifying persons who have knowledge or opinions regarding Statco, that further questioning take place before the bench.

GRANTED: ✓ DENIED:

31. PHOTOGRAPHS OF PLAINTIFF'S INJURY

Any photographs taken of Plaintiff's injuries after the 10/22/05 accident, or any photos of Plaintiff in the hospital To the extent that such evidence may be found to have some degree of probative value, it is greatly outweighed by the danger of unfair prejudice, confusion of the issues, or misleading the jury. FED. R. EVID. 401 - 403.

GRANTED: ✓ DENIED:

32. REFERENCE TO EXHIBITS

No reference to, use of, display of or introduction of recordings, videotapes, diagrams, exhibits, or demonstrative evidence during voir dire, opening statement or at any time until a proper predicate has been laid to prove the relevance, materiality and genuineness of any such item, or until the parties have stipulated to use on admissibility.

GRANTED: ✓ DENIED:

33. REFERENCE TO DEFENDANT'S ATTORNEYS

No reference to the fact that Defendant's attorneys live and work in Dallas, Texas or to the size of the firm or number of lawyers in the firm representing Defendant as opposed to the firm representing Plaintiff.

34. REFERENCE TO PLAINTIFF' FINANCIAL CONDITION

No reference to the financial condition or needs of Plaintiff.

GRANTED: ✓ DENIED:

35. REFERENCE TO DEFENDANT'S STATUS AS AN ENTITY

That Plaintiff and counsel for Plaintiff make no reference that since Defendant is a corporation or other entity, it is without a heart and soul, or comment as to its financial capacity, or make any other reference implying that this Defendant as a corporation or other entity has any less rights under the law than a natural person. The fact that this Defendant is not a natural person is totally irrelevant to these suits and therefore inadmissible under Rules 401 and 402, Federal Rules of

Evidence. Furthermore, any reference to the fact that it is a financially solvent entity, or any related inference is not only irrelevant, but is prejudicial and would unduly confuse the jury and is therefore inadmissible under Rule 403, Federal Rules of Evidence.
